The exhibition stand is a large, white, L-shaped structure. At the top, it features the German Water Partnership logo, a stylized water drop with red, white, and blue horizontal stripes, and the text "German Water Partnership" in a bold, sans-serif font. Below this, the slogan "Solutions you can trust." is displayed in a smaller font. The stand is illuminated from within, highlighting the text and graphics. On the right side, a large graphic depicts a water supply network with labels for "WASTE WATER PUMP STATION", "WASTE WATER TREATMENT", "SEWER SUPPLY NETWORK", "WATER SUPPLY NETWORK", and "DESALINATION". A Siemens logo is prominently displayed on a white counter in the foreground. Two men in business suits are engaged in a conversation near the counter. In the background, other exhibition booths are visible, including one for "SEWERIN" and another for "Aqua Gro".
